NAPLAN

Congratulations to students on the completion of their NAPLAN tests. The tests are challenging and require students to apply their knowledge and understanding well under strict time periods. This is not how we usually work, so it is always extra challenging for some. Parent reports will be provided by DET in 2-3 months.

Weekly Spelling Rule for Term 2 Week 4

The silent final ‘e’ changes two sounds – makes the vowel say its own name (make) / makes c and g soft (page)

Problem Solving

Teachers are working on the teaching of problem solving. Currently, a set of strategies is being developed that will be explicitly taught across the school, so that we all teach and learn with the same language and pedagogies. Once completed, all information will be sent home for parent knowledge and support with students.

Winter Sports Carnival

Our school combines with our fellow small schools (Crawford, Wooroolin & Tingoora) to make up teams for netball, touch, soccer & basketball. These teams will either be Yr 4 only, 5-6 or 4-5-6, depending on numbers.

Parents – don’t go buying soccer boots, etc for a one-day event. Joggers are fine. Perhaps some students can borrow shin pads and boots. Netballers are reminded that earrings must be taped. No jewellery is to be worn by any players in any sports.

Participation is affected by poor behaviour at school or at practice. The expectations at the carnivals are the same as when at school.

125 Committee Meeting

Next 125th Committee Meeting – next Tuesday 19 May at 7:00pm (new winter meeting time) Feel free to come along and be part of preparing for the celebration of 125 years of education at our school!
