**Weekly Spelling Rule for Term 2 Week 5**

The imposter.

The silent final ‘e’ has no job eg. are, come, some.

**Premier’s Reading Challenge**

Our school has joined the Premier’s Reading Challenge again. As well as being fun, the challenge aims to help boost children’s literacy skills by encouraging students to read widely for pleasure and learning, to develop their imagination and a long term love of literature.

Last year, more than 108 000 students and 700 schools registered in the program. Over 1.65 million books were read.

Our school has been involved in the program since its inception in 2005. It is our aim to once again have every student reach the Premier’s Reading Challenge targets… …

- Prep – Yr 2 read or experience 20 books
- Yr 3 – 4 to read 20 books
- Yr 5 – 6 to read 15 books

The challenge runs from now until Friday 28 August. The school will be promoting the challenge and ask that parents help by encouraging the children to reach the target.

Last year we had Deb Frecklington MLA award students their certificates. We would like to do this again!

**125th Planning**

The committee is really interested in gathering as many “stories of past times at the school and the local area” as possible. These will be compiled into a document for use at the 125th celebration. These stories will also be displayed around the school on the day.

**Caught Being Good Term 1 Average**

The average number of Caught Being Good Tickets per student over Term 1 has been calculated at 5.1. This has maintained the average of previous terms and is a great reflection of the effort of our students. Congratulations!

**School Photos**

Orders have been collected and hopefully will be available by the end of May.

**School Winter Clothing**

Students have been given their ordered winter clothing today. Please ensure that all removable clothing is ‘NAMED’, as sports practice will be commencing soon and clothing not named is hard for students to identify.

**P&C Date Claimer**

The P&C is hosting a Lorraine Lea Linen Demonstration on Thursday June 11th at 3:15pm.

- Come along and have a look – no obligation to purchase.
- All proceeds are to be donated to the school P&C.

In 1942... the airport was a training site for pilots and association staff. Coolabunia School was set up to be a reception centre for refugees if Australia was to be invaded by the Japanese. There was even a zig-zag trench dug between the school and the residence. The trench was dug using farmers’ tractors. Please ask family members or long-time residents and neighbours if they have any stories and send them in to the school please.
