P&C Catering – Eisteddfod
The P&C are catering the Kingaroy Eisteddfod from Tuesday 28th April to Sunday 3rd May, with the Kingaroy Girl Guides. This is a fantastic fundraising opportunity to provide facilities for our children.

- We require donations of homebake (cupcakes, muffins, biscuits etc).
- We will also need helpers to prepare and serve meals and to help serve in the canteen open to the public. We need three helpers all day during the week and eight all day over the weekend.
- If anyone is able to help and give even a small amount of time between 8am to 8pm on any of these days – please ring Amanda May on 0417 076 756.

P&C Thanks
Nanango Show BBQ Stall
- The P&C would like to thank those parents who were able to work at the show BBQ stall.

Air-conditioning
An air-conditioning unit was installed in the tuckshop / meeting room over the holidays. This will be of great benefit to the many students and parents who use this space. This week’s cold snap came just in time to test everything out.

Thanks P&C!!!

RSL Ticket Selling
Each year the RSL gives the P&C the opportunity to help run the nightly raffles. It requires 2 people on the Friday and Saturday night (6.00 – 8.00pm). The P&C receives $300 for this very easy task.
We are looking for 4 parents to represent the school and work on Friday 8 May or Saturday 9 May.
If you can help – please call the school.

ANZAC Day
School Ceremony
The school had its ANZAC ceremony on Monday. The wet weather made things difficult, but guest speaker Mr Zac Tinson “soldiered on” and taught students much about the significance and issues around WW1 and wars in general - loyalty, pride, courage, sadness, service to one’s country and the futility of war. We sincerely thank Mr Tinson for his efforts.

Marching - Saturday
The school will be marching in the Kingaroy ANZAC Parade this Saturday.

Students are asked to give up some of their time on ANZAC Day to join with the large numbers of people in the community who show their respect by marching. The march starts outside the RSL in Kingaroy St at 10.00am and goes to the Memorial Park. Students are not expected to stay for the ceremony, so parents are free to meet them at the Memorial Park at 10.30am and take them home.

Can everyone meet outside the RSL in Kingaroy St at 9.30am, for the 10.00am march start.

Weekly Spelling Rule for Term 2 - Week 2
The silent final ‘e’ is needed as ‘v’ or ‘u’ never end an English word – eg. argue, valve, cue.

ARD Visit
Next Monday, ARD (Assistant Regional Director) Debbie Hails will be here on her term visit. She will be meeting with Mr Johnston and also visiting classrooms to meet students and talk lots about teaching and learning.

CARS & STARS Yr 1-6 Comprehension Focus
Students began targeted comprehension lessons this week, the first strategy being “Main Idea”. The key factors with main idea is to look at the first sentence in a paragraph, the last or sometimes you can gauge what the paragraph is mostly about.
All groups will focus on each strategy for 4 lessons.

Problem Solving
This term, the school is venturing on a focus on the teaching of problem solving (and numeracy). Teachers are keen to further their skills and teaching of problem solving. Common processes, language, thinking and modelling of how to problem solve will be a daily part of every classroom. Classes will all use the SEE PLAN DO CHECK process to problem solve. The same poster will be in every room.

SEE Understanding WHAT the question is asking. Have I seen something like this before?
PLAN Choosing the best strategy to solve the problem, eg look for a pattern, part/part/whole, work backwards, eliminate unnecessary information, make a list or table, etc.
DO Do the maths and work the problem through. State the rule. Look for another strategy. Be persistent.
CHECK Write the answer as a complete sentence. Is the answer reasonable? Is there an easier way to have solved it? Have I used the proper units?

School Leaders
Year 5 & 6 students have submitted applications for term 2 leadership roles. The school wishes to congratulate the following students and wish them well in their term’s pursuits.

- Welfare Leader – Jessie Bond
- Sports & Health – Royce Jensen
- Communications Leader – Lillian Davey
- Environment Leader – Bonnie Brunner

These students will be introduced to the school at next Monday’s assembly.

Prac Teacher
For the next 4 weeks Mrs Tammy Florager will be completing a teaching prac with the Year 2 class. We wish her the best and hope she enjoys teaching at our school.

Term 1 Reward Activity – Jumping Castle
Students had a great time today as each class spent time on a jumping castle. This was the reward activity for all those students who made excellent behaviour choices in term 1. We hope those who weren’t eligible to participate, will be able to join in this term through better choices. Our aim is always to have 100% involvement.

Reading Room Roster – Term 2
Thank you to the following parents able to assist in the Reading Room.
