Staffing
Upon putting our 128 student enrolments into the staffing calculator this week, we have just managed to hold on to present teacher numbers. Today’s (Day 8) date collection determines our teacher staffing and a component of our TA time for the whole year.
A close one indeed!!

Family Meet & Greet TOMORROW afternoon 5.30 – 8.30pm
We are all looking forward to tomorrow’s games and BBQ event. It is a terrific opportunity for families old and new to get to know each other better. This is an important part of our school culture, where people feel part of the school and are confident to make a contribution in one way or another to the running of the school and the development of students.

Remember
• Pick up a name tag when you arrive. (Makes it easier to talk to new people.)
• Introduce yourself to new people and make them feel welcome
• Drop your dessert into the Tuckshop room when you arrive
• Feel free to join in with your children in the games. We might need some help in running some activities as well.
• Offer your assistance with food preparation, serving and cleaning up. We have a large number to feed and “many hands make light work”.
We thank the P&C for sponsoring the meal tomorrow night. This is very generous.

Should the weather be poor, a P&C decision it will be made at 3:00pm. Please contact Tracey Schloss 0400 049 101 if unsure.

Koala Construction Thank you
The school wishes to give a huge thank you to Peter & Fiona Coyne, Bev Blanch, Andrew & Tracey Schloss and 125 committee members Allan Sommerfeld & Barry Randall for their enthusiastic & skilful construction of our Coolabunia Koala to advertise our 125th celebrations on 28 May this year.

There have been thousands of Facebook hits and there is a constant stream of people stopping to take a photograph. Did you see the article in the 5th Burnett Times last Friday, where past student and current Yr 4-5 teacher – Mrs Steffensen-Grant was interviewed. Well done Mrs Steff!!

We need the whole school community to keep talking about our celebrations and enticing people to put 28 May in their diary. It will be great day for past & present students; anyone in the community. Remember… word of mouth is the best advertising!

P&C AGM and General Meeting
Our first P&C meeting is set for next Tuesday 9th February, starting at 7.30pm in the Resource Building.

We encourage as many parents as possible to attend P&C meetings. No one should ever be anxious about taking on any P&C position, as roles are not arduous and there is plenty of support available.

• Students who have not received a form – already have current consent for the testing.

P&C CHOCOLATE DRIVE FUNDRAISER
Chocolates will be distributed to students NEXT Friday afternoon. If families have Prep/Year 1/Year 2 children it may be more suitable for a parent/guardian to be on hand to collect boxes.

Key Dates

• 16th Mar Return of all money & unsold Chocolates
• 21th Mar Winner announced - 'Most Chocolates SOLD'

The P&C thank you for your support and HAPPY SELLING/SAMPLING CHOCOLATES.

Instrumental
The Instrumental program will be operating this year-dates next week.

Bus Families
Please let the school know if NOT travelling on any day.

Payments for School Activities
It is easier for all if block payments can be made for activities such as swimming or sports transport as it streamlines accounting processes.
A reminder that whenever money needs to be sent to school for any school activity, it must come in the supplied collection envelopes. Only one envelope per family is necessary.

Permission Forms / Money – BY NOMINATED DATE PLEASE!
It is MOST IMPORTANT that Permission Forms and/or money required for school activities be sent to school by the required date. Quite often we need to know definite numbers for booking bus/es or other curriculum activities etc.
We cannot expect an extra bus to turn up without sufficient notice.

Headlice
We have been informed that ‘HEAD LICE’ have been detected. Please check your child/ren’s hair – treat as necessary.

Innocence is but a poor substitute for experience.
