Lunchtime Sports Activities – Sports Team
Students have had a great time over the last two weeks playing different sports and being challenged. This has been a successful initiative of the Sports Team, led by Timothy Blanch. The team would like to thank Mrs Kleinhanss for her support and Mr Rose for bringing his expertise and equipment each day.

Thank you!

Responsible Behaviour Plan – annual update
The staff has been working to update and streamline the Responsible Behaviour Plan. The plan will include as much up-to-date information as possible to indicate how the system works and how behaviour is managed and supported. When completed, the RBP will be tabled at the P&C meeting, distributed to all families and uploaded to the school website.

Reward Activity
The end of term Reward Activity will be conducted in the last week of the term. This is a reward for students who have managed to control their behaviour and make good behaviour choices throughout the term. Students who find themselves in the Thinking Place are not eligible for this term’s Reward Activity, but can certainly set their sights on making it next term.

The activity usually takes about 1 hour, not the whole school day.

New Interactive Boards
Every classroom is to have a new interactive board installed. Mr Johnston purchased 4 from a QASSP conference sponsor last week and then was lucky enough to WIN ANOTHER 2 BOARDS in a raffle.

MUSIC NEWS
The celebration day for “Music: Count Us In” is fast approaching. On Wednesday afternoon 2nd November all students from Prep-Year 6 will unite as a whole school choir to perform this song on parade. The reason you are being notified so far in advance is because you are invited to come and see our school performance........ so mark the date in your diary! Hope to see you there.

Recorder Club members are also working towards a small presentation of some of the songs they have been learning. This will take place at a morning school parade early in Term 4, so watch this space!

Annual NRL Gala Flag Tag Carnival
This week’s NRL Gala Day at Kumbia was an excellent event. It was wonderful to see students from our 5 small schools getting to know each other and work hard to develop their ball skills. All students were winners!
The NRL Development team led by Mitchell Sergeant set a clear standard for students and supported them well.
