P&C Meeting – feedback
School 125th Celebrations, June 2016
These types of events often seem a long way away, but tend to sneak up very quickly. The school is keen to celebrate 125 years of education. The P&C will be setting a date shortly and later this year begin planning the event. The school was established on 16th June 1891 and its Centenary was held on 8th June 1991.

How can you help? The P&C is looking for good ideas for the day. A concept or theme is always good as it gives a focus for the day and gives visitors plenty to see and do. So, if you have any ideas, please bring to the P&C meetings or call the school.

Nanango Show Rodeo - Saturday 12 April
The P&C has been offered the chance to run the BBQ stall at the rodeo on the evening of 12th April. This was done last year and was a great success. Coordinator Tracey Schloss will be looking for volunteers (at least 7-8) to assist with this event. It is a great chance for new families to get involved, meet people and be part of the school.

 ► Please complete the attached form and return to school by TUESDAY 1st April.

Facilities
- The school is purchasing 4 new aluminium park settings for the courtyard and new covered area. Construction of the covered area will be finished over the holidays.
- Qbuild will be visiting soon to look at making the steps to blocks A and B less slippery.
- A new interactive whiteboard is to be installed in the Year 1 classroom.

Oval Slashing
The grass on the new oval area is long and needs slashing. Is there a family who might be able bring a slasher along and give this area a quick trim?
Please call the school to let us know. Thanks.

Parent Reading Workshop - thanks
We thank those parents who were able to attend the reading workshop this week. Thanks also to Mrs Ogden for running the workshop.
Parents are always welcome to see their children’s teachers or Mr J about further support or helping with reading, homework or any aspect of learning. Regular open channels are essential to supporting our children.

Reward Activity
During the last week of term, the school puts on a Reward Activity as part of the promotion of POSITIVE BEHAVIOUR in the school. Eligibility – students are eligible to participate as long as they have not been in the Thinking Place 3 or more times or on Red, White or Blue levels or suspended.

Parents of non-eligible students will receive a letter explaining their child’s non-attendance.

Any children missing out on Reward Activity will certainly be eligible for future activities. It is the school’s goal to have the whole school involved in the Reward Activity.

Positive Behaviour Data
The school will be tallying the number of Caught Being Good slips issued during the term. This will be reported to students and families.

Assessments
Classes have been and continue to be busy completing assessments at present. It is essential that students are at school all next week to make sure these are finished. It is very difficult to complete assessments after a 2 week break.

WINTER SCHOOL CLOTHING
Fleecy Jumpers and Screen Printing
► Orders close Thursday 3rd April 2014.

- Parents wishing to purchase ready-made Fleecy Jumpers or have their own screen printed must have them to Fiona by Thursday 3rd April. This will enable us to get them embroidered over the holidays and hopefully distribute to families in the first week back.
- All supplied jumpers must be clearly named so as to avoid any confusion. If anyone is having any problems with supplying their fleecy jumpers, could they please advise Fiona (04163 3311).
- Taslon Winter Jackets – clearance existing stock only - $40.00 each. It is first in – first out basis with orders.
