P&C Meeting – Minutes from this week’s meeting included today.

Milo Day – Wednesday
Robyn Sawtell and her Welfare team did a great job preparing and serving over 60 milos this week. It has been a great learning experience, planning, costing out and serving. They will be in action again next week.

Our P&C will be running the canteen on the day. This is a good fund raiser and requires voluntary help from many parents. As time nears, the P&C will be asking families to give up an hour or so to help run this stall. There will be 200 students and their families, so lunch time will be busy.

Reporting
Teachers are busily preparing to write report cards for students.

Reporting in semester 1 consists of a Report Card and a Student-led Conference. Report Cards will be sent home at the end of week 9 Friday 20 June.

Student-led Conferences will be held in the afternoons of **Monday 23rd – Wednesday 25th June.** A booking form will be sent home shortly.

A Student-led Conference is where students have a prepared presentation of work samples that they invite their parents to their classroom to see. They are expected to introduce their parent/s to their teacher and lead their presentation. The teacher will be there to assist and also speak with parents. Parents wanting a face to face interview with their child’s teacher will need to make a separate booking.

- The P&C will be running the canteen at the Small Schools Athletics Carnival
- A date for the school’s 125th celebrations was set – Saturday 28 May 2016.

- A stainless steel mobile bench is to be purchased to make food preparation easier

Junior High School 2015
Kingaroy SHS teachers Heather Litzow, Neil and Lauren Strong spent time over three days this week observing yr 5-6-7 lessons and discussing teaching matters with Mrs Moseling & Mr J. These visits are beneficial and also give students attending KSHS next year the chance to meet staff.

Parents of students attending local high schools in 2015 are encouraged to become involved with these schools and start getting to know how they work and what to expect in 2015. Both Kingaroy and Nanango High Schools will be regularly publishing information in our newsletters throughout the year to keep families up-to-date on Junior High Schooling in 2015.

Why not attend the next local high school P&C meeting:-
- Kingaroy SHS – last Tuesday of each month
- Nanango SHS - 3rd Monday of each month

Uniforms

Athletics Information
Our Kingaroy Small Schools Athletics Carnival is set for Friday 25 July at the Kingaroy SS oval.

To make a better spread of ages across divisions, new groupings and names have been established.

Minors – 5 6 7 years old / Juniors – 8 9 years old / Seniors – 10 11 12 13 year olds. In 2015, seniors will be mostly 10 11 year olds.

Tabloid events (lead up events for minors) will be more like regular field events.

All students are currently being organised into relay and ball games teams in readiness for the carnival. Students are already practising all field events.

The carnival is all about participating. It is a great day for families to come along and enjoy a day with the students. We do ask that parents transport their children to and from the carnival.
Parents are reminded that the school uniform includes a *bottle green coloured jumper*. A number of students have been wearing non-school jumpers and this really detracts from our desired standard.

**School Photos**
Ordered photos were sent home earlier in the week. Check with your student if you have not received yours.
