P&C Grass Planting
Thank you to the families who were able to assist in planting ‘kikuyu grass’ on the oval on TUESDAY afternoon.
Let’s hope it rains and continues to grow.

WB Athletics Sports Report
On Wednesday 28th August, Jessica Feakins and Jessie Bond travelled to Maryborough to compete in Wide Bay Athletics.
Jessica’s results were 10th in 12 Years Discus with a throw of 17.45m and 4th in her 12 Years 100m heat.
Jessie’s jump of 3.35m put her in the top 10 in the 10 Years Long Jump event. Jessie enjoyed the experience, being the first time to go to WB Athletics. Jessica’s experience was ‘exciting’ because she got to meet and compete against different people. Both girls were very happy with their results and they had a great time.

Father’s Day Stall – Thursday / Friday
The P&C are holding a Father’s Day Stall on Thursday 4th and Friday 5th September in the school library. Students may choose to purchase a gift for their ‘Special Dad’.
Gifts range in price from $0.50c to $8.00 each.
The stall will be open at morning tea and lunchtime breaks.

Fire Education - Year One
Year One’s were fortunate to receive two visits from Queensland Fire Service this term. On the first visit we learnt about fire safety and Fireman Mark gave us homework to do (we had to learn our phone number and address in case we need to ring 000).

When Fireman Mark returned yesterday, he checked that we did our homework and we were able to inspect the fire truck as well as have a go at using the fire hose. Most of us got wet by Fireman Mark!

Lost Property – This box is overflowing – please check!!!
Prep Writing - What do we do in Prep?
