Arts Council– Thursday 20th November
No Way! - this performance will be attended by students in Years 2-7, as the lower classes will be away on their school excursion.

The bullying jigsaw is a puzzle best solved with friendship.

Bounding into a jigsaw puzzle world where not much makes sense, two friends begin to explore the perils of the problem. They both know that bullying exists; they’ve even felt it for themselves. But instead of focusing on the problem, together they try to find a solution.

Reflective Writing – Remembrance Day
Year 5-6-7 spent a few reflective moments this week considering what they found significant about their Remembrance Day experiences. Here are some of their reflections……..

One of the things that interest me about Remembrance Day is that in World War I they stopped fighting at Christmas. Back then they stopped on Christmas Day and met each other and spoke to each other. But now days they don’t. They have no respect. People now just don’t care what day it is, enemy have no respect or love for others belief. I reckon each year everybody should stop fighting and respect other peoples’ culture. Jessie Bond – Year 5

Remembrance Day is a day where we have a minute silence to remember the soldiers that got killed in World War I and World War II. When we stand up we bow our heads and stand still.

Remembrance Day is one of the most important days in Australia. Jamie Duncan – Year 5

Remembrance Day is all about remembering all of the soldiers that fought in the war for our country. All across Australia at the same time, day and month we all have a one minute silence to remember all of the soldiers that died fighting for our country. It is very important that everyone in Australia does this on the 11th of the 11th. Laura Freeman – Year 7

Remembrance Day is held on the 11th hour of the 11th day of the 11th month each year. Remembrance Day is all about how we remember the soldiers that fought for our country to protect us from other soldiers who wanted to kill us. Ethan Kozlovic – Year 7

Kingaroy District Persuasive Speech Competition
Each year students from local state schools gather to compete in the Annual Persuasive Speech Competition. This event is held at Kingaroy SS. It is conducted by the Primary Principals’ Association and sponsored by the Rotary Club of Kingaroy.

This year students from year 6 and 7 will meet to compete for a year 6 and year 7 trophy. Students speak for 3 minutes on a topic of their choice.

Our representatives in the Small Schools team will be:-
- Denzel Strauss Yr 6 “Global Warming”
- Laura Freeman Yr 7 “The Drinking Age Should be Raised to 21.”

There will be a winner and runner-up for both Yr 6 and Yr 7.

We wish Denzel and Laura all the very best next week!

Japanese

Year 6 & 7 Japanese students will receive an individual end of semester report from the Brisbane School of Distance Education teacher Mrs Foley. There will be no entry in their school report card.

Report Cards

All students will receive a report card on Friday 5 December. As there has not been a consistent music teacher presence this semester, no music rating or comments will be included in the report. This is regrettable, but beyond the school’s control.

Instrumental music students will have a comment entered on their progress.

Parent Interviews

Booking forms will be sent home shortly to secure parent interview times.

Junior High Transition Days

Both local state high schools have planned transition days for both year 6 and 7 students who will entering Junior High School next year.

For both schools, students attending them are expected to attend these important days. Students will be familiarised with the school’s layout, facilities, routines, key staff and key information. They will also have the chance to experience some “typical” lessons and also have the opportunity to ask as many questions about starting high school as they need.

The intention is to have every student comfortable and confident about starting high school.

Swimming Carnival Reminder

Our annual Kingaroy Small Schools Swimming Carnival will be held on Wednesday 3 December at the Kingaroy pool.

All local schools have entered into an agreement whereby there is a rolling carnival roster. Our 2014 carnival is Wednesday this year, then Thursday in 2015, Friday in 2016, etc.

The carnival is our school program for the day, so all students are expected to attend and be a participant. Showing school pride and spirit is an essential part of our school culture – the Coolabunia way.

Families transport their children to and from the pool. All students are entered in events that match their swimming abilities.

Non-swimmer wading pool games and activities for those students (usually P or 1) who are not yet swimming

Width (15m) width races in freestyle, backstroke, breaststroke and kickboard

Swimmer (25m) ½ pool length races in freestyle, backstroke, breaststroke and kickboard

Championship (50m) full pool length, races in freestyle, backstroke, breaststroke & butterfly 25m

2014 change to nominations

Previously only 1 student per age group has been allowed to enter the Championship races. All other better swimmers had to swim in Swimmer events. This is NO LONGER THE CASE.

This year – any swimmer (8 – 13 years) who can swim 50m in a strong and competent manner is able to nominate in Championship races.

Age Champions will still be awarded from the 8 – 13 year swimmers.

Students must enter in ALL Championship or ALL Swimmer or ALL Width or ALL Non-swimmer events.

Age Divisions for RELAYS are… Minor (5, 6, 7), Junior (8 & 9), Senior (10, 11, 12, 13)
