Tuckshop –
A HUGE thank you to all parents and helpers who attributed to our successful tuckshops this year. As a group we have raised over $200 each tuckshop to add to the P & C funds enabling us to subsidise our school trips and make our school the place it is (A/C, Books, Tables, etc). A special thank you to those who have stepped into breaches at the last minute - too many to name but you know who you are - thanks.

Students, I hope you all have enjoyed your tuckshop experience and thank you to all the students who have their orders in by the Thursday. This makes it so much easier in ordering and minimises food wastage. Yes - we will have the draw for the free lunch next year.

To enable us to cater to your needs (or wants)!- keeping in mind the green ‘healthy’ foods as opposed to the RED foods ‘not healthy’ - if you are not sure what this means - can you please fill in the attached survey.

We look forward to seeing you all next year with some new faces. Keep in mind if you have a spare moment or two on a tuckshop day our friendly team always welcomes you, as many hands make light work and your child loves to see you here. A note will go home at the beginning of the year asking for volunteers and donors - please look for this and get it back to us with your preferences.

Thank you all. Lois and Nicole

Junior High Transition Days
Both local state high schools have planned transition days for both year 6 and 7 students who will entering Junior High School next year.

For both schools, students attending them are expected to attend these important days. Students will be familiarised with the school’s layout, facilities, routines, key staff and key information. They will also have the chance to experience some “typical” lessons and also have the opportunity to ask as many questions about starting high school as they need.

The intention is to have every student comfortable and confident about starting high school.
