Small Schools Swimming Carnival: Wednesday 3rd December  
Our annual carnival is being held on Wednesday 3rd December at the Kingaroy Pool. This is a whole day small schools event where every child is given the opportunity to participate. This is the school curriculum focus for the day, so all students are expected to participate.

The school pays for student entry. It is up to families to arrange transport for students to and from the pool. Sometimes parents get together and share transport, depending on work or other commitments. Non-school students are not permitted to use facilities on the day. The wading pool is only used for student events. Toddlers are not permitted to use this pool.

All students are expected to attend and participate. These events are a wonderful chance for students to develop and share school spirit and pride. All students will receive ribbons and earn points for the school.

Reminders  
- No admission fee -  
- Transport – We ask families to arrange own transport. Families often help each other out - car pool etc.  
- All students are to be at the pool by 8.40am for a 9.00am start. Please be punctual.  
- War cry at 9.00am sharp.  

- Parents are asked to keep an eye out for all other students. This makes a big difference.  
- Presentations will be at approx. 2.30pm  
- Order of events – 50m, 25m, 15m widths (wading pool events operating as well), then this sequence repeats. Relays complete carnival.  
- All width, 25m and 50m swimmers will be needed for relays. Please do not leave.

Did you know ….

'The longest one-syllable word in the English language is Screeched.'

A very big ‘Thank you’ to our wonderful parent helpers (Ms McDonald, Mr Brackin, Mr Town, Mr Kleinhanss, Mrs Taylor and Mrs Douglas). We would also like to extend our thanks to the P&C for their generous support.

Preps and Year 1s had a fantastic day on their recent excursion to Brisbane. At the Sciencentre they became Secret Agents as they searched for a suspect in a crime. As an agent, they tried to dodge laser beams without setting off alarms and explored codes. Some activities in the Bodyzone, included students walking a tunnel that made them feel wonky, running 10m on a track to beat Heath and hopping on a bike to ride with Boney the skeleton.

In the Showzone, students learnt about the different sizes of planets. They also learnt that for every action there is a reaction. A walk through the museum gave students the opportunity to explore the world through the Discovery centre (a splendid collection of fossils, animals and objects), the Coral coast and lost creatures. Students also walked to Southbank for a yummy ice cream and had a quick walk around Streets Beach in the parklands.
