Date Membership received: ___/___/___ Secretary: ______________________________

Accepted by President ______________________________ Date: ___/___/___

Date Membership ceased: ___/___/___
Coolabunia State School

Parents & Citizens Association

Membership

An important message for all parents.

The Legislative enactment of the Education Act (1989) and the Education Regulation (1989) in Queensland requires that a Register of membership of the association be maintained.

This is the IMPORTANT ASPECT of the Education Act.

Only persons who are registered members of the P & C Association can be covered / protected while working at the school in any capacity.

In effect this means –

• that helpers in the Tuckshop DO need to be on the register of the P & C.

• parents who attend any of the meetings at the school, or who assist in any duties for the teachers / with the teachers in classrooms, excursions, etc DO need to be registered.

• a parent can not become an office bearer of any committee without first becoming a registered P & C member

• unless a parent attending a meeting of the P & C or any of its subcommittees is on the register of the P & C that person has no voting right for any of the decisions made or taken

• all helpers at Working Bees, Heritage & Harvest Days, Ticket Sellers etc. will require to be registered P & C Association members.

It is very important that you give serious consideration to this message and help our association by responding to registration promptly.

Registration of membership is also an annual requirement.

The Secretary of the P & C Association has this task of keeping the Register current. To assist him / her in this duty, this letter is being forwarded to all families, with the request that the overpage is completed and returned to the school’s office.
